

Bagmasters™ Parking Meter Covers

**A New Way to obtain
revenue from parking**

• Parking meter covers can be used to provide one or two hour free parking for 'special' shopping centre sponsored promotions.

• The cover can be printed with a sponsor's logo, shire, city or municipality identification. The covers can be used to identify short or long term, no standing areas.

Specification:

Bagmasters parking meter covers are produced from weather and abrasion resistant nylon with a PVC backing.

• The cover is internally sewn and then turned for increased durability and improved appearance.

• The cover is fitted with four brass eyelets enabling it to be locked or securely sealed to the meter.

Available colours:

Red—green—yellow—blue—black.

Custom made to suit various styles of parking meters.
